From the Baron and Baroness

Greetings Unto the Populace of Caerthe,

This month is the Caerthan "Warlord", "Premiere Blade" and "Archery Warden" tournaments to be held at Bear Creek Reservoir. Remember, anyone may participate in the tournaments, however only those who reside within the boundaries of the Barony may vie for the positions of Warlord, Premiere Blade and Archery Warden. This year there will be a change in the responsibilities for the good gentles who succeed in attaining these positions. It has, in the past, been a requirement, that if you were appointed to one of these positions, you would be required to autocrat the following years event. If you are concerned that running this event is a bit more than you want to chew on, fear not, we have received an offer to handle next years event for you. So unless you REALLY WANT TO AUTOCRAT next years Warlord, all you'll need to worry about next year is to organize your own tourney!

Warlord is also the time at which we select new members for the Baronial Guard. Some people have already been named to the Guard because as of now, the Guard is supplemented by the members of the Honor Guard at Scola Metalorum, as well as the Canton's Defender, Protector, Yeoman and Bard. So Congratulations to Baron Tule, Lord Ishitaro, Lord Ivan and Lord Padraig for becoming the Premiere's to these Canton Positions and we welcome them as new members of the Baronial Guard.

On September 21st, the day following Warlord, we will also be holding Baronial Order meetings at the Canton's populace meeting site. Directions can be found in the back of this issue. The Orders will meet as follows:

11:00 The Order of the Gilded Leaf

12:00 The Order of the Aspen

1:30 The Order of the Sable Lion

And finally, Congratulations to Lord Zacharia deKane, Lady Tetsutaka Yukihana and Lady Adelicia d'Alviela for their admittance to the Order of the Aspen.

Walter Fiachra

From the Seneschal

I hope the Summer has kept you cheerful and well!

To start this missive off I have many notes of thanks to extend. First I'd like to express my gratitude to Lord Robert de Marchet for serving the Barony as my deputy. I released Robert at last Populace, so that he may concentrate his efforts towards his deputy ship with Lady Caelainn in Hawks Hollow. Robert, I know you will serve the Canton well and they shall prosper from your efforts greatly! Thanks are also in order for my other deputy Anastasia, who (last month) ran her first entire Populace meeting! I've heard nothing but compliments of your work! There will two new faces (Welcome to the team, Geneva and Frederick!) for the Waterbearer and Chronicler offices this month as Mistress Aurora and Lady Meghan have stepped down from their respective offices. Though my heart will be saddened to see these wonderful ladies pursue other interests, my heart will be consoled, for not only will Mistress Aurora continue to assist in waterbearing at future events, she will also remain my mentor. Regarding Lady Meghan! Well lets just say I've not lost a Chronicler so much as gained a deputy! Stasia will remain my "drop dead" deputy and my intended successor while Lady Meghan, who has graciously agreed to "learn the ways of the key" (apologies to George Lucas) will help facilitate a smoother transfer of office, when I complete my warrant next April.

Additionally, I extend a note of thanks to Lady Constance for running a very well received "Westminster Fair" demo, though I'm still a bit mystified by all of the allusions to "dried tubers and salt pork"! Methinks one must consult this Lady to solve this mystery! Also, a note of advance thanks to lady Caelainn for what I'm sure will be another very successful and enjoyable "Fields of Gold".

At Populace, I made a few requests of those that either do or will attend Populace. First, please try to communicate (i.e. raising hands, talking in turn, being patient while others are speaking, ect.) a little better. If you hadn't noticed there's just a little too much tension in the air at Populace and I think that bad communication is a large contributor. Second, because our meetings will now be limited to a firm 1 hour I'm asking that we all try a little harder at being more concise at meetings (i.e. unnecessary agreeing, speaking out of turn, going off on unnecessary tangents, ect.).

Recently, there've been words of concern regarding the champions of Caerthen events (specifically: Caerthen Arts and Sciences and Caerthen Warlord) and wether or not they are required to Autocrat the event they were champion in, next year. Simply put IF YOU DON'T WANT TO, YOU DON'T HAVE TO. YOU'RE NOT OBLIGATED, ONLY ENCOURAGED AND IF YOU DON'T WANT TO AUTOCRAT IT NEXT YEAR, NO ONE WILL THINK ANY LESS OF YOU. Believe me I'd rather not have an event than have a reluctant Autocrat.

Finally, Summer is a time for lovers. So, therefore, I'd like to pay respects to two couples who will have celebrated their wedding anniversaries last month, Ishi and Yuki & Tule and Taryn. May there love see a thousand Summers yet to come!!

In service to the populace and the dream,

Roland

From the Chronicler

Greetings! This will be my final missive to the populace, since I am stepping down as Chronicler as of next months issue. My Deputy, Lord Frederick, will be taking over the job, and I am confident he will do well, since he already put this issue together essentially by himself. Over the two years that I have held this position I have learned a great deal and enjoyed myself a lot, and I'd like to thank all the great folks who have helped and supported me during this time. Thanks!

In Service,

Mec

University of Caerthe

In September, THL Brenainn Lanfhadae will speak to us on "The Book of Kells". The Book of Kells is an 8th Century Irish manuscript of the Gospels, and is perhaps the best known surviving example of Celtic illumination. We will hear about how and why this manuscript was created, and what its history has been over the past thousand years. Our speaker will bring samples of the pigments that were used for illuminating, and an excellent reproduction of the original work, so this promises to be an aesthetically pleasing as well as educational evening. You will have a chance to compare colors close to those of the original document with those of the commonly available Dover reproduction. According to THL Brenainn, there is a substantial difference.

We will meet at 7:30 P.M., September 24, the fourth Wednesday of the month, at THL Wyndylyn's House; 15912 E. Lehigh Circle, Aurora . If you have not been there before, take your best route to Hampden and Chambers. Go east on Hampden to the 2nd right, go south on Kalispell to the "T" intersection of Lehigh Circle. Follow it west and around south until you see the banners. Come on in; the door will be open at 7:00. All are encouraged to attend. For further information, call THL Wyndylyn, (303) 680-1583, THL Brenainn, (719) 473-4973, or Master Robin Vinehall, (303) 444-5004.

Period garb is optional, but appreciated.

If you are coming from Dragonspine, take Route 83 north until it becomes South Parker Road, then turn east when it crosses Hampden.

Textiles Guild

There will not be a Textiles Guild meeting in September due to other obligations. We will continue in October.

Thank You

Lady Cecelia 433-0132 or Mary 556-2270.

Highland Games demo

September 4-7 1997

Greetings unto the good gentles of the Outlands and all others that might come by these words.

Highland Games is once again upon us. It will be September 4th-7th in Estes Park, Colorado. As it is the Shire of Care Galens turn to sponsor the demo, and I was silly enough to say that I would coordinate it, I come to you in hopes of help and support.

There are a great number of new things this year. We will be in the horse arena just off one of the main entrances, so we will have a great deal more room to work with than in years past. There will be areas for court dancing, art & sciences, equestrian events, fighting and fencing as well as any other ideas that you might have in mind keeping with the spirit of the demo. (Prizes are planned!) There will be a jousting demonstrations and competitions (by a non-SCA group). Camping space is available. There are possible other surprises that might happen, but you will just have to come and see what they might be.

I need to know as soon as possible who might be interested so that I can get free entrance passes and have an idea of how much parking and camping we might need.

This looks to be a new direction and tradition for us as a demo. I look forward to it and hope you do to.

A Plea for a Winter Site

Good gentles, as I'm sure you're aware the winter is soon comming. Very quickly we'll all face the cold reality of not having heating, classrooms, or even a dry floor on which to play. Therefore, I make this plea to you all. If at all possible, keep an eye out for any building (a school gym, an empty warehouse or even an unused garage, anything) that might look suitable for fighter practice. Also keep in mind that we need heat and high ceilings, when looking. If you do find something, let either Lord Hoegarden or myself (look for our phone #'s at the front of this journal) know ASAP! We'll make the time to check it out, of course any additional information you happen to find out prior to calling us, would be most appreciated, but not necessary. The first snow of the winter generally comes by the end of this month so your assistance is greatfully needed!

The 2nd Annual "Valhalla" of Garage Sales

Sepembert 5-7

Yes good gentles, time once again to revel in one of the most sacred hunting rituals of our time while also helping out some of your local groups. The time of the "Valhalla" of garage sales is here!

The Building Fund of Caerthe and the Canton of Hawks Hollow will be sponsoring a garage sale comprised of items donated by both of these groups and other giving souls in the Barony. Anyone is invited to come down and browse and buy the goods or help out with the sale. If you get hungry, there'll be a BBQ of Brats and Hamburgers, plus a vast array of side dishes, for a mere $2.00 donation. The price for the BBQ includes a soda . The profits will be split between the participating groups for their various projects.

Donations can be dropped off with Canton or Building Fund members at fighter practices or during the sale. Though we'd rather SCA gear would be saved until Fortress Benefit, you can donate anything you want. *There will also be an area were private individuals can sell there goods for a suggested percentage of what they make.

Since this sale will be mainly plugged at mundanes, we'd rather those who attend not wear garb, but its not restricted.

Interkingdom Archery Tournament

Greetings archers and all. We Outlanders need to show the other Kindgoms of the Known World our prowess with the bow. Therefore an IKAC (Inter-Kingom Archery Tournament) will be held every Sunday in September, except the 14th (7th, 21st, 28th) from 11 am - 3 pm. This is the only official way for us to rank ourselves as a Kingdom against other Kindgoms. As always, due to being an outdoor site, all shoots are weather permitting. Please call if in doubt. See Ivan at the Canton archery practice on Wednesday's or call Ivan at 940-7746. Be excellent!
